Dear Members & Visitors,

As you know, there are many costs associated with a church such as routine maintenance, upgrades, replacements, structural repairs and landscaping. Over the last month due to safety concerns we have had to replace a portion of the black railings along our handicap ramp near the church office along with the outside carpet at the main entrance of the church. We still have some upcoming repairs that will need attention over the next 3 mths for an exterior drainage concern and repairs to our exterior steps. **If you would like to donate towards these needs, please mark your donation accordingly to our Building & Renovation Fund. Thank you for your support!**

They have given each church different locations throughout our county to pray at 2:00 on May 31st. Below is a list of locations and the churches attached to each one.
